

CHARACTER REFERENCE & LETTER OF SUPPORT

October 26, 2026

RE: Sohail Moiz (Known as "Sam")

To Whom It May Concern,

My name is Emily Wolfe, and I am writing in support of Sohail Moiz, affectionately known in our community as Sam. I have known Sam for several years through his work at the Kountry Store and our shared involvement with Pollok Baptist Church in Pollok, Texas.

Sam is hardworking, generous, kindhearted, and always willing to lend a helping hand. He could almost always be found working at the Kountry Store, yet despite his busy schedule, he made an effort to attend church as often as possible.

One of the things I admire most about Sam is his genuine desire to help others, especially the children in our community. He has supported the Pollok Baptist Church Youth Group by donating food, supplies, and money to help send our youth to church camp. His generosity has helped make meaningful experiences possible for our children.

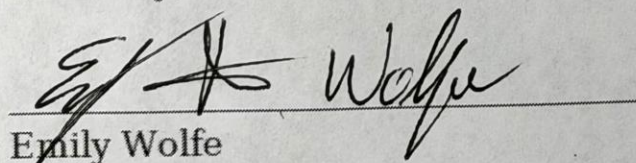

Sam also has a special way of making people feel welcome, especially children. My six-year-old daughter absolutely adores him. She looked forward to visiting him at the Kountry Store, and since his absence, she has asked me multiple times why Sam has not been at work. She misses seeing him and making those familiar visits.

As a mother, I believe the way a person treats children says a great deal about their character. The kindness Sam has shown my daughter has made a lasting impression on both of us. He is more than a local store owner or familiar face; he is a valued supporter of our church and community, and his absence is genuinely felt.

I understand that immigration proceedings are serious matters, and I respect those responsible for reviewing his case. I sincerely ask that you consider Sam's character, generosity, and positive contributions to our community. I respectfully request fair and compassionate consideration for his release from detention, if eligible, so that he may continue his immigration proceedings while connected to the community that cares about him.

Thank you for your time and consideration.

Sincerely,

Emily Wolfe
